A new property ID number will be issued upon a completed & approved combination.

Parcel combination's take effect with the following year's assessment roll. All tax bills for the current year will be issued on the parent parcels. The current year ends Dec. 31. If you receive a Principle Residence Exemption you will need to **REFILE** Form 2368 for the new combined parcel.

Certification

I request that my parcels be combined as indicated above. I also agree that information above is true and accurate.
